

SCR GLOBAL SCHOOL

Circular No - SCRG/13/18-05-23

Dear Parents,

Greetings from SCR Global School!!

As the summer vacation approaches, we are filled with excitement and anticipation for the opportunities it brings to foster our student's personal growth. The summer break is a time for relaxation, exploration, and skill development, allowing our students to engage in enriching experiences outside the classroom.

We kindly request your active involvement in guiding your children toward fruitful and fulfilling summer activities. Encourage them to explore diverse areas of interest, participate in productive activities, and embrace new challenges. These experiences will help them acquire valuable skills, broaden their horizons, and develop a lifelong love for learning.

The summer vacation dates are as follows:-

Grades Playgroup to 5 – May 22nd, 2023 (Monday)

Grades 6 to 9 – May 22nd, 2023 (Monday)

Grade 10 – May 29th, 2023 (Monday)

Please make note of these dates and support your children in making the most of their time off. Encourage them to pursue activities aligned with their passions, such as sports, music, art, or community service. These endeavors will shape their character and contribute to their personal growth.

We look forward to welcoming our students back with renewed energy and enthusiasm when school **re-opens on July 3rd, 2023 (Monday)**.

School office shall remain functional in the month of June.

We wish all our students a fulfilling and rewarding summer vacation. May they discover new talents, broaden their perspectives, and return to school refreshed and ready to face future challenges.

Best regards,

Shivani Mishra
