

SCR
PUBLIC SCHOOL

Dear Parents,

The whole purpose of education is to turn mirrors into windows.

J. Harris

We would like to let you know that SCR Public School has opened the admissions for grade 11 for all streams (Science, Commerce and Humanities). We, at SCR, ensure students learn enthusiastically and by connecting facts to real life problems. Our holistic approach in teaching/learning process makes us unique school in the vicinity of Gurugram.

Priority for the admission would be given to our existing students and their near and dear ones.

You can find more information about the school at
