## FROM PRINCIPAL'S DESK

### WHY FOCUS IS IMPORTANT IN LIFE

Focus is important in your life to embrace the opportunity around you.

As it is said – "WHEN YOU FOCUS ON PROBLEMS, YOU WILL HAVE MORE PROBLEMS. WHEN YOU FOCUS ON POSSIBILITIES, YOU WILL HAVE MORE OPPORTUNITIES".

So, you need to start looking for possibilities in your life and you will open new doors to new opportunities.

### FOCUS EXPANDS YOUR KNOWLEDGE.

The focus will help you to expand your intelligence and knowledge. When you start to focus on learning, your knowledge will expand eventually.

Focus on learning new things every day. Make learning a priority in your life. However, there are going to be distractions around you, but you need to focus anyways.

When you focus on expanding your knowledge, your life will automatically expand.

## DUSSEHRA & GANDHI JAYANTI

Dussehra is one of India's most celebrated Hindu festivals. It usually falls on Navaratri and brings joy and color to people's lives. It is celebrated in various ways in several parts of India. People eagerly wait for this festival every year and observe it with much passion and enthusiasm.

Festivals bring peace and joy for everyone. To enhance this festive joy, students of \*SCR public School organized\* fun filled and learning activities which included role play, skit writing, speech etc.

## AIRFORCE DAY

Indian Air Force Day is celebrated to mark the official establishment of the Indian Air Force. These celebrations include an air display where the most crucial and vintage aircraft put up a magnificent show. To get acquainted with such celebrations, we at SCR celebrated this day. Students expressed their gratitude by participating in speech and craft activities.

## TEACHER'S CORNER

### STUDENTS LIFE

Student life is one of the most memorable phases of person's life. The phase of a student builds the foundation of our life. In students' life, we do not just learn from books, we learn to grow emotionally, physically as well as socially.

It means to help us learn discipline and studies. Despite that life is quite enjoyable. The struggle is low in student's life. One must get up early in the morning to get ready for school or college. Similarly rushing to the bus stop is very exciting during student's life. The mother constantly reminds us to hurry up and not to be late. It is not less than a mantra for all mothers.

With the examination time around the corner, the fun stops for a while, But not long. One of the most exciting thing is getting to go on picnics and trips with our friends.

It is vital part of everyone's life. The future of the students and the country depends on how we are as students. Thus, getting right guidance is essential. Student life builds the foundation of our life.

Therefore, we must strive to be good students.

## WORKSHOP ON CANCER

"An interactive & informative Cancer Awareness Workshop was conducted by the eminent Doctors of a very reputed organization for the students of grade 6 to 9 today in the auditorium of SCR Public School. Doctors enlightened the students about the symptoms, risk of cancer & precautions which one should take. Doctors said that spotting of cancer at the initial stage is very important. People should get medical checkup in every six months & should not hesitate to consult the doctor for treatment. Proper treatment & positive outlook are very must for its fast recovery. Diseased should get benefitted by so many schemes & policies run by Government Supportive conversation with the patient can be helpful in fast recovery & positive mindset .This workshop was very successful in fulfilling its aim as it worked like an eye opener for the students ."

## PASSING THE PARCEL ACTIVITY

"Passing the parcel-a game of truth and dare " conducted for grades 2,3. This game's objective was to improve students' fluency and accuracy. The game focused on how to communicate with each other in the right way. The students performed actively in groups.

# LANGUAGE RE-ENFORCEMENT ACTIVITY

The Singular and Plural forms of nouns are important not only because we need to talk about one and many but also because of subject-verb agreement, where the verb in a sentence depends on the grammatical number of the noun in the subject of the sentence. This activity conducted to enabled the students to identify singular and plural nouns and make basic sentence using them.

# SEMINAR ON ARTIFICIAL INTELLIGENCE

An interactive activity on Artificial Intelligence, machine learning was conducted using PPT presentation by all 3 sections of class 8 . "Students enlightened on the uses and significance of "Artificial intelligence, Machine learning". Students focused on SDGs goa ls. They explained that how AI works using examples like SOFIYA, TESLA ROBOTS. Also post presentation, there was an interactive questionnaire session among the students. The overall activity was fruitful for the students.

# DEBATE ACTIVITY

A debate is conducted on the topic 'Home work should be given to students or not ' The students of grade 9 actively participated in it. Really this effort is remarkable. This dedication will bring a drastic change among young learners.

## STUDENT'S CORNER

## SPORTS DAY

Oct. 17 to 21 was celebrated as sports week at SCR Public School with great enthusiasm. Various sports programs were organized by the Sports Department. On this day in which students participated according to their interests.

## Career counselling

The only way to do great work is to love what you do. The way to get started is to quit talking and begin doing. It's not what you achieve, it's what you overcome. That's what defines your career.

The students of grade 11th & 12th Science visited DPSG School for career Counselling under the guidance of teachers. They became aware about different universities and their preferred courses. The visit was fruitful for them to start thinking about their upcoming bright future.

## DIWALI CELEBRATION

Diwali is the brightest and the most significant festival in Indian culture. It illuminates the country with its brilliance and dazzles people with its joyous celebration. The students of SCR Public School showcased the spirit of Diwali through mesmerizing dance performance. Students presented drama to depict the various reasons why Diwali is celebrated. The students talked about the significance of the festival - how good always conquered the evil and also about why and how Diwali is celebrated across India. Students also participated in many like diya decoration, songs etc. The day came to an end with lots of joy and happiness sparkling on the faces of students.

## AD-MAD ACTIVITY

Ad-mad Activity was conducted for Grades-4 and 5. It was an opportunity to bring out individual talent of the students participating, and to provide them with a platform to explore their creativity and work on their stage presence. Students picked topics according to their choice which were related to different food items, mobile phones and other products and advertised their products with confidence and precision. Thus, Children got an opportunity to brush-up their speech delivery and understand the importance of Advertisement in spreading awareness to masses.

## THINK PAIR & SHARE ACTIVITY

Life is all about sharing. When we put our heads together, we all win. This activity is organized for Grade 11 IT students on the topic \*NETWORKING\*

The exchange of information and ideas among people is the basic idea of networking. Students were actively paired with their team members and share their views.

## EXPERIMENT BASED LEARNING

“Facts have to be discovered by observation, not by reasoning.”

We cannot create observers by saying 'observe', but by giving them the power and the means for this observation and these means are procured through education of the senses.

## चौपाइयों का सस्वरपाठ

भाषा हमारी संस्कृति का एक अभिन्न अंग है। अपनी संस्कृति से जुड़े रहने के लिए ज़रूरी है कि हम अपनी भाषा से भी जुड़े रहें। एक प्रयास जिसके द्वारा रामचरितमानस की चौपाइयों का सस्वरपाठ कराकर बच्चों को रामायण के बारे में जानकारी दी।
