

INTERSCHOOL COMPETITION WINNERS AURA 2025 – 26

SCR school students participated in AURA-2025 an interschool competition organised by SGT university and won laurels for school.

Amongst 27 schools and 1000 students our students stood first in Extempore and debate.

WINNERS HONORED

We're proud to honor our medal winners who have excelled in various competitions. Their hard work, dedication, and passion have earned them this prestigious recognition, and we congratulate them on their outstanding achievements.

OUR SPORTS CHAMPIONS!

We're thrilled to announce that our school teams have emerged victorious in recent sports competitions! Congratulations to our talented students for their outstanding performances and teamwork. Your dedication and spirit have brought pride to our school.

CBSE WORKSHOP ON KNOWLEDGE OF THEORY

The SCR Public School recently hosted a CBSE workshop for its faculty members, focusing on innovative teaching methodologies and best practices. The workshop aimed to enhance the teachers' skills and knowledge, enabling them to provide high-quality education to their students.

The workshop is expected to have a

positive impact on the school's teaching-learning process, enabling teachers to provide more effective and engaging instruction to their students.

SCR Public School plans to conduct more workshops and training sessions to ensure that its faculty members stay updated with the latest developments in education

BUDGETING HAS ONLY ONE RULE: DO NOT GO OVER BUDGET”

A workshop has been successfully conducted on Government budget at SCR Public School for Grade 12 students by Ms. Jyoti & Ms. kiran.

The goal is to empower students with the knowledge and skills to understand and critically evaluate the government budget and its impact on different sectors of economy through interactive discussions and activities.

Participants learn to dissect budget document to understand government financial outlook and policies

by exploring different sources of revenue including tax and non tax revenues and analyse allocation of funds to various sectors.

“The budget empower us to achieve our goals and thrive”

Let's move forward with this budget as our guide

ART SPEAKS WHERE WORDS FAIL

On World Art Day (15th April 2025), SCR students celebrated creativity through a vibrant Inter-House Drawing Competition.

Young artists of 6 to 8 showcased their imagination, expressing thoughts through colors and art.

Team SCR applauds the enthusiasm and talent of all participants!

YOUNG VOICES, BIG IDEAS!

IIMUN WORKSHOP

Our students of grade 9 to 12 took part in an engaging IIMUN workshop, exploring global issues, building confidence, and discovering the power of their voice.

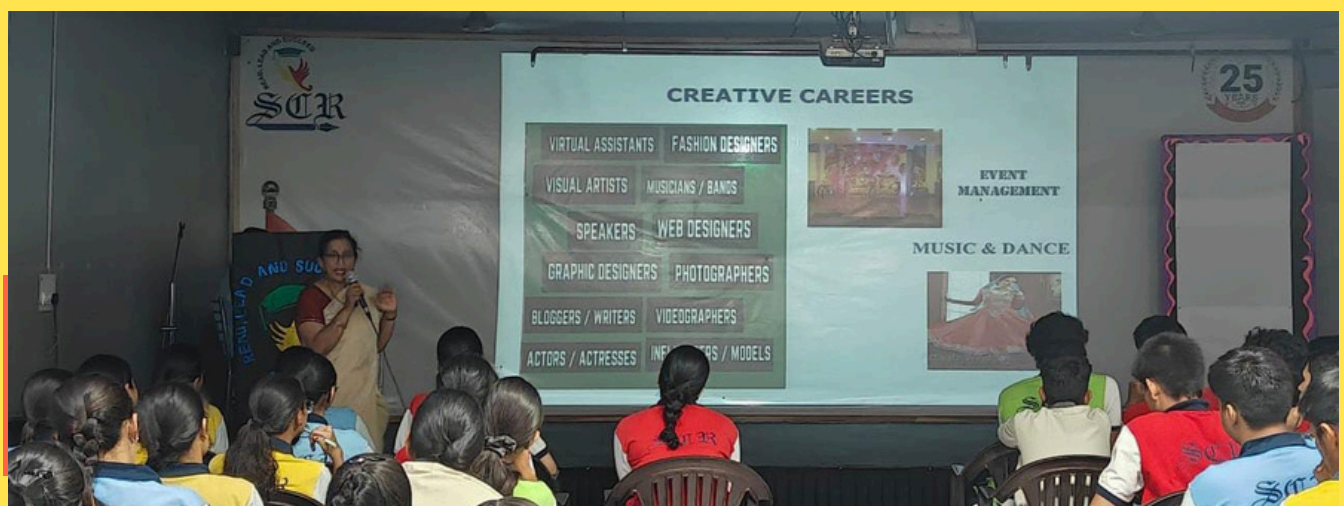

CAREER COUNCELLING

"No one can discover until you do. Exploit your talents, skills and strengths and make the world sit up and take notice"

A career counseling session held at SCR Public School today by the Resource person Ms. Meenu Bhargva in school premises for grade 11 students to attain best of understanding for stream selection. Students interest and choice matter to build a career after 10th.

It was informative and inspiring workshop for learners. It has cleared their doubts and confusion about the stream selection and to plan their future

BALVATIKA STUDENTS ENJOYED THE PUPPET SHOW WITH GREAT ENTHUSIASM.

Our little learners from Balvatika had a fun-filled day as they enjoyed a lively and colorful Puppet Show. The show was not only entertaining but also educational. Through playful storytelling, the puppets taught the importance of keeping our Earth clean and green. The children learned simple habits like throwing waste in the bin, reusing items, and reducing pollution. Their smiles, laughter, and excitement clearly showed that learning can truly be an enjoyable experience.

RED DAY ACTIVITY OF BALVATIKA STUDENTS

BALVATIKA STUDENTS ENJOYED WATERMELON PARTY

INTERNATIONAL DANCE DAY

International Dance Day was celebrated with great enthusiasm by our students!

Through various dance forms, our students showcased their talent, creativity, and passion.

The event highlighted the importance of dance in promoting cultural diversity, self-expression, and physical fitness."

PRACTICAL EXPERIENCE

Grade 8 students explored Hooke's Law through a fun hands-on experiment with springs and weights. They discovered how force causes stretch — turning curiosity into real learning!

A joyful step into the world of science and discovery.

Exploring the Microscopic World!

Our curious young students prepared slides using onion peel and observed plant cells under the microscope. With the help of Methylene blue stain, they clearly identified the cell wall, cytoplasm, and nucleus. It was an exciting hands-on experience that brought textbook biology to life!
